Dear Joe:

RE: 2001 Special City Allotment Project Proposals

I am sorry to inform you that your recent SCA Project application was not chosen for inclusion in the 2001 program. There were 83 applications statewide for 41 projects. Eastern Oregon cities submitted twenty-two requests and received approval for only ten.

Your project was rated high but did not make the cut for this year's list. Please keep your application and re-submit it to this office for consideration next year. I will be sending all eligible cities an application for the 2002 SCA Program in May of next year.

Cities receiving SCA grants for 2001 include: Canyon City, Enterprise, Lonerock, Island City, Hines, Joseph, Jordan Valley, Heppner, Sumpter, and Ukiah.

If you have any questions concerning your application or future SCA applications, please contact me at your convenience.

Sincerely,

Tom Carman
Region 5 Federal Aid Specialist
